The international project team successfully implemented a “PEACE EDUCATION IN EARLY CHILDHOOD TO PREVENT BULLYING” project from September 1, 2019 to October 31, 2021. **The priority of the project is social inclusion.** During the project, to prevent bullying, the partners exchanged practical experiences of peace education in early childhood education.

In response to the pandemic situation, a train the trainer **course for VET teachers and practitioners** from Germany, Spain, Lithuania and Croatia was organized remotely. **Multiple events** were held in all project partner countries to share the intellectual results of the project with teachers, peace education experts and education policymakers. It is delightful that the number of participants in all multiplier events in all countries was higher than planned during the preparation of the project, and the participants of the training appreciated the material prepared by the project partners.
